STAT 3. [REDACTED] LIAISON Met with Duke Short, Senate
STAT Judiciary Internal Security Subcommittee staff, and left with him a rundown
of foreign press reactions to the published testimony of [REDACTED]
[REDACTED] Short passed on
information he had received indicating that the Library of Congress is
considering phasing out the Federal Research Division. According to
Short's information, the division has about 200 people and is funded by
CIA and DIA. I told him I would pass this along but I doubted that the Agency
or DIA would be funding any part of the Library of Congress. [REDACTED]
CRS, was advised.

David Martin, on the Subcommittee staff, asked for an updated issue
of "Facts about International Front Organizations." His copy was published
in August 1968.

Al Tarabochia, on the Subcommittee staff, requested a copy of the
Agency publication entitled "International and Transnational Terrorism:
Diagnosis and Prognosis." A copy was sent.
